Summary:

Mike Wheeler doesn't like Billy. No shit. No surprise there. He decides to say something about it but to his disturbance Billy has something to say back.

Oneshot/drabble

Go Blow Your Dad

Now the truth was this. Mike Wheeler just didn't like Billy Hargrove. He was an asshole! He treated Max terribly (and he didn't really like her either, but not nearly for the same reason, thank god). And a whole long list of other reasons: cocky, rude, violent, and more. So his dislike was completely justified.

Right now though, Billy wasn't leaving Mike and his friends alone. It was creepy that a high schooler liked to mess with a bunch of middle schoolers. Oh, add creepy to that list too. Mike had had enough. He decided to do something about it.

"...go blow your dad, you mullet-wearing asshole," he snapped at him.

Billy paused. Then his face split into a wide grin, and he grabbed Steve Harrington, who'd just been innocently walking by.

"Nah, how 'bout I blow *your* dad instead?"

"Dude! What the fuck?" Mike said, turning red.

Though it was nothing compared to the color of Steve's face.

Billy just laughed. And Steve didn't exactly push him away right away either.
